ADJOURNED TOWN MEETING

June 21, 1950, 7:30 P. M.

For the purpose of hearing and acting upon the reports of the Committee appointed at the last annual town meeting to look into the matter of a new Fire Station and/or the remodeling of one of the present town buildings.

James F. Leavitt read the following report.

The Committee appointed by the Moderator consisted of the following: D. Morris Lamprey, C. William Carter, Herman L. Norton, James F. Leavitt and the board of Selectmen.

This Committee held several meetings, at first by themselves and later in conjunction with the so-called Centennial Hall Committee appointed at the last School Meeting.

The Committee recognizes the need for a Community building in addition to the new school building. This building we believe should be suitable for lodge meetings and other groups of one hundred people or less. Larger groups would use the school auditorium. The building should have suitable toilet and kitchen facilities and should provide an adequate Selectmen's office.

In accordance with the vote taken at the last town meeting the committee employed the firm of Lyford and Magneau, Architects and Engineers of Concord, N. H., to make a survey of the present town buildings and to make recommendations as to the most economical and satisfactory solution to the problem.

Mr. Magneau came to North Hampton and he, with the Committee, made an inspection of all existing town buildings. Later he and his men came down and made a care-

ful survey of all the buildings taking measurements and carefully inspecting their condition and construction. Returning to Concord they made up their report together with a rough sketch of a proposed New Fire Station as an addtion to the present Town Hall. The Town Hall to be slightly remodeled to provide toilet and kitchen facilities and Selectmen's office. They also furnished figures which are more or less a rough estimate as to the cost of a new building. The cost of remodeling Centennial Hall, and the cost of new Fire Station in connection with present Town Hall. Their figures are as follows.

1. New Town building with Fire Department and Selectmen's office on first floor with moderate size hall and kitchen facilities on second floor estimated cost $77,000.

2. Centennial Hall: They were of the opinion that Centennial Hall could not be made into a satisfactory building even after a costly remodeling process. They recommended that the present structure be taken down and if it was desired to utilize the present foundation. A new building could be erected on the old foundation for approximately $72,500.00.

3. The third plan and the one they recommend is to remodel the Town Hall and eventually build a new fire station which will be connected to the Town Hall on the West Side and will be heated by a Central heating system located in the basement of the hall. Total cost of the project if done all at one time $51,500.00.

In view of the recommendation by Lyford and Magneau it is the Committee's opinion that plan three should be accepted but only as a long range program. It is believed that the present Fire Station can be used for the present except for heating system. It is however, desirable to put the Town Hall in shape for lodge and club meetings as soon as is practicable by installing a new heating system which will heat the Selectmen's Office and the present

Fire Station as well as the Hall and to install suitable toilets and kitchen facilities. We believe that what is immediately essential can be accomplished with $8,500., now in the Capital reserve Fund. It is not the committee's desire to place any additional burden on the tax payers and any further expansion of this program such as building the addition for the Fire House should wait until the school debt has been sufficiently liquidated to warrant the borrowing of additional funds.

Mr. William Fowler moved and it was voted that this report be accepted and placed on file.

Mr. Linwood Hatfield offered the following petition, it was voted upon and not carried.

That if, upon petition to the Superior Court, said Court shall determine that Centennial Hall and land appurtenant thereto shall be the property of the town, the Selecmen are hereby authorized to preserve said building and land and to maintain the same or to make such other disposition of said property as in their judgment and discretion shall be for the best interests of the taxpayers; but if said property shall be determined by said Court to be the property of the School District and said property shall revert to the town upon abandonment of the building for school purposes then the Selectmen shall have the same power and authority as above provided with respect to said property.

On motion of Robert Cutts the meeting adjourned at 8:42 P. M.

MARION L. CARTER,
Town Clerk.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of North Hampton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said North Hampton on Tuesday, the 13th day of March next, at one of the clock in the afternoon. Business meeting at 7:30 P. M. Polls not to close before 8:45 P. M., to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to borrow money in anticipation of taxes.

4. To see if the town will vote to raise and appropriate the sum of $1,000.00 to be used for Civil Defense organization.

5. To see if the town will elect to approve of the inclusion of its officers and employees in the Employees' Retirement System of the State of New Hampshire, which system is provided for by chapter 27-A of the Revised Laws, as inserted by chapter 183 of the Laws of 1945, and as provided by chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

6. To see if the town will vote to raise and appropriate 100.00 to take care of the town's part if article 5 is approved.

7. To see if the town will vote to ratify the action of the selectmen and the trustees of trust funds in accepting the gift by Katherine Thaw Meyer of the land between the East Cemetery and Little River for cemetery purposes and to instruct the town clerk to write to Mrs. Meyer thanking her for her generosity.

8. On petition of William P. Fowler and ten other legal voters of the town of North Hampton:

To see if the town will appropriate the sum of $100.00 to compensate taxpayers for malicious damage to their property in this town last Hallowe'en, the same to be used by the selectmen to pay such claims presented to them not later than May 1, 1951, as they shall find to be valid and supported by receipted bills or other satisfactory evidence of the cost of repairing such damage, — payments from this appropriation to be reduced PRO RATA if the total of such claims exceeds the sum appropriated, and any unusued balance to be used for additional police protection to prevent further damage of this nature.

9. On petition of Joseph Wynn and twelve other legal voters of the town of North Hampton:

To see if the town will vote to install a street light on the pole in front of Kenneth R. Grant's house on Little River Road, and to raise and appropriate money for the same.

10. To see if the town will vote to authorize the selectmen to sell at public auction or private sale, for the best price obtainable, the land on South road known as the Old Dump and to give deed for the same.

11. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 19th day of February, in the year of our Lord nineteen hundred and fifty-one.

REPORT OF LIBRARY TRUSTEES

The trustees are grateful for the gifts of magazines and books given by friends who are listed in the librarian's report.

A card-catalog cabinet and an unabridged dictionary will be purchased during the coming year.

Once again there will be a list of service men and women posted in the library. Mrs. Earl Spear will keep the mailing addresses up-to-date.

As our shelves are very crowded, we have transferred some children's books temporarily to the school. We find that this is greatly increasing the circulation of the books.

It has become necessary to look for additional space for bookshelves. The trustees feel it will be possible to remodel the upstairs room of the library for this purpose.

DOROTHY E. HOBBS,
GORDON S. DOW,
FRANCES C. LEAVITT.
Trustees.

School Report

1950 SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said District on Friday the 10th day of March, 1950, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the District will vote to discontinue the East School as of the date of this meeting, the new school being now virtually completed; and to authorize the School Board to proceed at once to sell or dispose of the East School land and buildings (schoolhouse and woodshed) on such terms as the Board shall approve, and to execute deeds therefor in the name of the District, the proceeds to be used for the new North Hampton school.

9. To see if the District will vote to discontinue the Center School at the close of the current school year and on the completion of the new school.

10. To see if the District will vote to authorize the School Board to sell or dispose of the Center School Building (including Centennial Hall) and all or any parts of the land owned by the District at that location, on such terms as the Board shall approve, and to execute deeds therefor in the name of the District, the proceeds to be used for other school purposes.

11. To see if the District will vote to appropriate the sum of $4,825.00 as a deficiency appropriation for the current school year, covering $1,000.00 for tuition and $3,825.00 for interest on bonds.

12. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State equalization fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said North Hampton this 20th day of February 1950.

REPORT OF ADJOURNED SCHOOL MEETING
JUNE 23, 1950

The adjourned School District meeting of March 10, 1950 to hear this committee's report on Article 10.

The meeting was called to order by the Moderator who read Article 10 of the School Warrant and called the Chairman for his report.

This committee was appointed at the Annual School District Meeting of March 10, 1950, to investigate and make recommendations concerning Centennial Hall and the Centennial Hall Trust Fund, and the School District's land at the Centennial Hall location, in reference to the action to be taken concerning authorizing the School Board to sell or dispose of the same, in whole or in part, under Article 10 of the School District Warrant, whereon action has been postponed until the ADJOURNED SCHOOL DISTRICT MEETING TO BE HELD ON JUNE 23, 1950, at 7:30 P. M., AT THE TOWN HALL.

The Committee's investigation discloses that the School District's land holdings at the Centennial Hall site comprise three tracts acquired at various times:

(1) THE MOST NORTHERLY TRACT (and latest acquisition) was bought in 1931 from Paul W. Hobbs (Book 877, Page 182, Rockingham Registry of Deeds) and contains approximately eight (8) acres of land, title to which is considered clear, in the name of the North Hampton School District. This tract adjoins the cemetery and extends to Post Road.

(2) THE MIDDLE TRACT was bought in 1921 from the Congregational Society of North Hampton (Book 760, Page 370, Rockingham Registry of Deeds) and contains approximately 0.925 acres of land, title to which is considered clear, in the name of the School District of

North Hampton. This tract has a frontage of about 178.3 feet on the Post Road and runs back to the land of the Congregational Society. On the south it abuts on land of said Society and on the Centennial Hall lot.

(3) THE CENTENNIAL HALL TRACT, in which the present school house and well are now located, was conveyed on October 29, 1875, by warranty deed (Book 458, Page 259, Rockingham Registry of Deeds) of the Congregational Society of North Hampton to the United North and Centre School Districts in said North Hampton, to which the present School District is the successor, and is bounded on the south "by the old School House lot," which appears to be included in the description of the land deeded by the Town of North Hampton to the North Hampton Congregational Society on September 6, 1836, (Book 281, Page 452, Rockingham Registry of Deeds).

This deed of 1875 to the School District is "upon condition that all the space South of the Southerly side of the new school house, and South of a line running by the Southerly side of said school house to other land of said grantors (the Congregational Society) on the East shall remain open as a Common forever and that no religious services shall ever be held in the Hall above the school room of said school house except by the grantors or by their permission and that the grantees shall erect and maintain the necessary suitable fences between the grantors and grantees forever."

Furthermore, the deed of 1875 contains at the end of the HABENDUM and of the covenants of warranty the words "so long as said lot shall be used as a lot for a school house lot as aforesaid." While it is the opinion of the Chairman of this Committee that these words limit only the duration of the covenants of warranty contained in the next antecedent clause and do not LIMIT the School District's title, it is possible that they might be construed

as limiting the entire HABENDUM, which is contained in a single sentence with the covenants of ownership, seizin and warranty, in which event the deed would create a "fee simple determinable" or a condition subsequent, so that the land would revert to the Congregational Society on the cessation of the use of the lot as a lot for a school house lot. The Committee is advised that the School Board has filed a petition in the Superior Court to clarify this question. This question could also be clarified by a release by the Congregational Society of its possible rights of reverter, in exchange for perpetual rights to draw from the well.

This Committee had several meetings jointly with the Committee appointed by the Town for the purpose of obtaining preliminary plans and estimated costs of a new Fire Station, and this committee is in general accord with the report submitted by Lyford and Magneau, architects and engineers, to the joint committee, to the extent that said report suggests that Centennial Hall is obsolete and unsuited for present day use except at an unwarranted cost to the community.

By deed dated January 13, 1877, (Book 462, Page 322, Rockingham Registry of Deeds) after erection of the Centennial Hall building, John W. F. Hobbs appointed certain individuals Trustees to have the care and regulate the use of Centennial Hall as a "district school house in the Centre District in said North Hampton." These Trustees are no longer in existence, having in 1918 turned the building over to the School District, and the Centennial Hall Trust Fund over to the Trustees of Trust Funds.

The building was accepted by vote of the School District at its annual meeting in 1918.

In reference to the Centennial Hall Trust Fund, this Committee finds that once Centennial Hall is taken down

or removed so that the fund is no longer needed for said Hall, the income (but not the principal) of the fund may, under the terms of the will of John W. F. Hobbs, "be used for the purpose of maintaining a singing school or any other kind of school that may in the opinion of the said trustees be for the improvement and advancement of the young people of said Town."

In reference to the action to be taken by the School District on Article 10 of the warrant at the annual meeting as adjourned to June 23, 1950, this committee after careful consideration is making the following recommendations:

1. That the School Board be authorized to sell the eight acre parcel of land bought of Paul W. Hobbs on August 29, 1931 for the best price obtainable as soon as the new school playground is ready for use.

2. That subject to clarification by court decree or otherwise of the School District's title to Centennial Hall and the lot it stands on, — the School Board be authorized to sell for the best price obtainable the Centennial Hall building, to be moved away or torn down.

3. That the School Board be authorized (following the removal of Centennial Hall) to turn over to the Town for a public common the School District's interest in the land conveyed to the North and Centre School Districts by the Congregational Society of North Hampton be deed dated October 9, 1875, — this to be done conditioned on the Congregational Society and the adjoining lot-owner to the north being given rights to use the well located on said land; and that the School Board be authorized to sell for the best price obtainable the lot of about 0.925 acres of land acquired from the Congregational Society of North Hampton by deed dated September 9, 1921, this lot to include the right to use the present well in the adjoining Centennial Hall lot.

Recommendations numbered 1 and 2 are unanimously made. Recommendations numbered 3 is made with the dissent of one committee member who feels that the District's interest in the Centennial Hall lot should be sold for the best price obtainable. (It is to be noted, however, that a large portion of this lot is already restricted for use as a public common).

Respectfully submitted,

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of North Hampton qualified to vote in district affairs:

You are hereby notified to meet at the School Building in said district on Friday the ninth day of March, 1951, at 7:30 o'clock in the evening to act on the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the school Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the School District will vote to authorize the School Board, if the said School Board deems it advisable, to make application for and to receive in the name of the School District of the Town of North Hampton, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency or from any other agency of the United States Government or of the State

of New Hampshire and especially in connection with Public Law 874 81st Congress second session approved September 30, 1950 and Title II Public Law 815, 81st Congress second session approved September 23, 1950, and to execute for and in behalf of the School District of the Town of North Hampton such applications, agreements, contracts or other instruments as may be necessary.

9. To see if the School District will vote to authorize the School Board to expend the net proceeds that may be received from the sale of real estate, as authorized at the adjourned School District meeting held on June 23, 1950, for equipment for the North Hampton Elementary School.

10. To see if the School District will vote to institute and conduct a kindergarten school for children of the North Hampton School District and to appropriate a sum not exceeding $1,500.00 for the same. (On petition of Carolyn W. Brown and 12 others.)

11. To see if the district will elect to approve of the inclusion of its officers and employees (other than those eligible under the Teachers Retirement System) in the Employees' Retirement System of the State of New Hampshire, which system is provided for by Chapter 27-A of the Revised Laws, as inserted by Chapter 183 of the Laws of 1945, and as provided by Chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

12. If the district votes in the affirmative on the preceding article, to see if the district will vote to raise and appropriate the sum of $178.50 for the purpose of providing funds for the district's contribution to said retirement system for the coming year.

13. To see if the District will allow the School Board to sell some of the top soil on the school land, the proceeds of the sale to be used in further developing the lawn and playground area at the school.

14. To see if the District will vote to appropriate the sum of Two Thousand Three Hundred Sixty-five Dollars ($2,365.00) as a deficiency appropriation for the current school year covering $950.00 Teachers' Salaries, $350.00 Transportation, $200.00. Text Books, $225.00. Fuel, $575.00 Equipment, and $65.00 Water, Heat, Light and Janitor's Supplies.

15. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are esimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

16. To transact any other business that may legally come before said meeting.

Given under our hands at said North Hampton this 20th day of February, 1951.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the North Hampton School Board:

I herewith submit to you my twenty-first report as Superintendent of your schools.

The opening of school on September 6, 1950 found an enrollment of 145 pupils in the eight grades. This compares with a similar figure of 136 the previous year. Late registrations have increased the number to 154. One room, housing grades three and four, was crowded beyond capacity, with 41 children registering on the first day. It was evident that teacher help could well be used. Mrs. Avis Luippold, who has been in our system previously, was employed as a helping teacher for these grades. She is in the building each afternoon working with groups of pupils in a more individual capacity than would be possible with entire grades. With grades one and two each in its own room, a more certain rate of progress is assured.

Next year it will be impossible to house grades three and four in the same room, since the anticipated enrollment now is 50 pupils. This will necessitate the employment of an additional full-time teacher.

North Hampton is now serving hot lunches to its pupils under the Federal Lunch Program. By this system, a fully balanced meal is furnished for twenty cents per day. Surplus commodities are received as available from the Federal Department of Agriculture. Since the products received are controlled by market conditions, there is no certainty as to quantity of products available. However, staples such as potatoes, powdered eggs, canned fruit and fruit juices are usually offered. I believe the children are receiving benefit from this additional service. A hot meal

restores energy in preparation for the work of the afternoon.

The national situation requires recognition in our daily plans. Our teachers will be trained to protect the pupils in case of danger. For this reason, teachers are now attending classes in first aid and are receiving directions as to their procedure in case of attack either immediate or nearby. This requires added time for such training, but is, we believe, entirely necessary. The cooperation of the parents is asked for any inconvenience which they may experience thereby.

A Summer School for the teachers of the union was conducted in Hampton last year. This was a three weeks' intensive course bringing to the teachers the most modern and approved methods of instruction. Under the direction of Keene Teachers College and approved by the State Board of Education, it was arranged under a workshop system, whereby practical problems were studied in a practical way. Forty-two teachers attended this school. At the present time, an in-service course is being conducted in Hampton by an instructor from the University of New Hampshire. This is of college level and requires fifteen weeks of intensive work.

Our new building offers the pupils a pleasant place in which to work. It incorporates modern facilities since it was constructed with the welfare of the pupils, primarily considered. The rooms are of approved size with adequate lighting and heating facilities. The movable desks lend themselves to group study and group development and offer a nearer approach to individual instruction than is possible otherwise. I believe we are all pleased with the auditorium which has now developed into a multipurpose room, used as a lunch room, assembly and demonstration room, as well as a place for social gatherings.

There is need for further development of the school

grounds. More surfacing about the building is required, both as playground area and for the purpose of more attractive surroundings. Surfacing should be completed in front of the building and on the east side for development of the playground surface.

The Parent-Teacher Association continues its service to our schools. An active Parent-Teacher Association means an interested citizenry. In a democracy such interest is essential. Some specific projects which the organization sponsored include appropriation of money for strengthening the school library. They were responsible for the refreshments and planning of the dedication of our new building. Playground equipment was installed by a group from the Parent-Teachers Association. With the assistance of other groups of the town, they gave a very successful minstrel show from which funds were derived for athletic equipment for the school. These helps are greatly appreciated by the school officials and, I am sure, by the children themselves.

Public schools are a community responsibility. Without the sense of this, progress is slow. North Hampton has such interest which promises continually successful school programs in the future.

Respectfully submitted,

ROY W. GILLMORE,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

The physical examinations were held at the school with Dr. Bailey as school doctor assisted by the school nurse.

Pupils Examined 152

	No.	Improved or Corrected
Defective Vision	4	4
Defective Hearing	1	1
Defective Skin	7	7
Defective Posture	15	15
Defective Teeth	30	36
Defective Tonsils	4	1

All pupils are weighed and measured and vision and hearing tests are administered by the School nurse. Periodic examinations of skin and hair are also made.

The tuberculin skin test for tuberculosis was given. In cases of children reacting to this test, they are advised to be x-rayed.

The audiometer test for hearing was given to all pupils.

Number of Contagious Diseases:

Mumps	15
Impetigo	3

No pre-school clinic conducted by the school was held this year, but a State pre-school and well-baby clinic was held under the direction of Mrs. Hazel Soames, R. N., State Nurse. Twenty-nine children were examined and vaccinated with Dr. Bryer as attending physician.

The new school lunch program has proven of value to the pupils receiving it.

Visits are made to the school twice monthly and home visits are made for the purpose of correcting of defects and in the event of sickness.

Respectfully submitted,

DOROTHY E. LINDSEY, R. N.
